My Good Sir, thanks for accepting my Invite. I am part of your Imbizo WhatsApp Group and I am very proud of you and the work that you do. I once shared the stage with you a few years ago at the Zodwa Khoza Foundation, an event hosted by The Last Ultimatum Youth Consortium (Sibusiso Ntuli). Keep the faith and God Bless.

IMBIZObyDrZee Education Nuggets 👌

1. True Education must impart more than academic knowledge…

2.True Education must foster a balanced development of the whole person—spiritually, intellectually, physically, and socially…

3. AN EDUCATED AFRICAN SHOULD BE THE BEST VERSION OF AN AFRICAN, well EQUIPPED to bridge the PAST (heritage & knowledge), the PRESENT(current challenges), and the FUTURE (legacy for generations).

6. INVESTMENT PILLAR 📈

IMBIZO LIVESTOCK FARMING 🐄

We are doing it the African way by going BACK TO THE FUTURE 🔥 Join "Touch The Farmer" and have YOUR OWN CATTLE in OUR FARM here in GAUTENG and enjoy the experience of visiting and seeing your own cattle GROW, PRODUCE MILK anytime you like WITHOUT THE STRESS OF THE FARM, FEEDING & SHERPHERED; we take care of that 🏠 Anyone can start from as little as R1000 A MONTH to build towards owning your 1st cow and your OWN HERD and offcourse you can also start big like 'Touch the Farmer' with your own BULL & 4 Heifers [Heifers are female bovines (cattle) that have not yet produced a calf - very crucial for herd breeding and milk production] 🐄🐄🐄🐄 Remember once the cow is yours IT IS YOURS and

any calf it produces each year IS YOURS, you just see your INVESTMENT GROW while we run the farm for you and you can decide to slaughter or sell your own cattle and cash in on your own investments any time 🕰️ We are starting IN OUR FARM here in GAUTENG and expand 👌

7. UBUNTU GIVE BACK PILLAR 🏠

We continue to share our IMBIZO VISION with you on this day because IMBIZO is about implementing the change we want to see in COMMUNITY DEVELOPMENT by using our natural SPIRIT of UBUNTU 🌍

We encourage you to READ our IMBIZObyDrZee VISION, INTERNALISE it and OWN it so that and come JUNE 30th 2026, we start PHASE 1 of the VISION together as one 👐

Between now and then we encourage everyone to invite one person to join our WhatsApp group and help our community grow with stable members because the more members we have the more IMBIZO Community Building work we will do 🫁
