RE: Recommendation letter for Ms. Lerato Ditshego

To whom it may concern,

It is my pleasure to strongly recommend Ms. Ditshego to serve as host or master of ceremonies for your event/s.

The European Union Enhancing Accountability Technical Assistance Facility (TAF) recently engaged Ms Ditshego as host to the **Role of Oversight and Compliance Bodies in State Capacity Building High Level Conference** organised by the Public Protector of South Africa **Office** from 18-19 November 2024.

As the host of the conference, she undertook the responsibilities of introducing high-level guests, hosting organisations, keynote speakers, and resource persons sessions, directing participants to break-out sessions, providing housekeeping information, and communicating information as required by the conference organisers.

We were impressed by her technical skills and experience she brought to the event, her engaging and positive attitude, and flexibility to the evolving agenda.

If you need more information or specific examples, please do not hesitate to contact me at ross.clarke@enhancingaccountability.org.za.

Yours sincerely,

Ross Clarke
