Professional Summary

Dr. Vumile Msweli is the founder of Hesed Consulting, a Pan-African human capital and coaching firm with operations across Botswana, Kenya, South Africa, Rwanda, Nigeria, and the United States. Dr. Vumile Msweli is an experienced career and executive coach specializing in leadership development, career growth, financial literacy, and women empowerment.

Dr. Vumile Msweli has partnered with global organisations, including Google, Vodacom, Investec, ABSA, Barclays, and Bidvest Bank, helping professionals and teams unlock their potential and thrive in competitive environments. Dr. Vumile Msweli has addressed international platforms like the African Union and the Women's Economic Forum.

Recognised for her leadership and impact, Dr. Vumile Msweli has been named among the UN 50 under 50 Female Founders in the Middle East and Africa, Africa's 40 Under 40 Business Icons, and Mail & Guardian's Top 200 Young South Africans. Dr. Vumile Msweli has also been celebrated as CEO Magazine's Pan-African Business Woman.

Dr. Vumile Msweli's thought-provoking talks and transformative coaching empower individuals to develop financial literacy, leadership skills, and career strategies. Dr. Vumile Msweli's work extends to the Africa Career Summit, a platform endorsed by the African Union, fostering professional growth and networking among African talent.

With a presence across Africa and the United States, Dr. Vumile Msweli continues to drive meaningful change by equipping professionals with actionable tools to achieve personal and organisational success.
