MANAGEMENT DEVELOPMENT PROGRAMME

This is to certify that

Mr A. Simphiwe Gwana

Social Services Directorate

has participated in

the *Management Development Programme* and performed agreed fieldwork assignments.

The programme is a capacity building component in the:

CONSULTANCY SUPPORT TO DEVELOPMENT PLANNING IN BUFFALO CITY MUNICIPALITY 2001—2002

The overall aim of the *Management Development Programme* is to develop the capacity of managers and other key people to create high performing departments and to realise their *Integrated Development Plan* strategies and projects.

The programme consists of four workshops of three days each with periods of fieldwork assignments in between.

Duration of programme is July to December 2002 to accommodate completion of field work assignments and to practically apply programme contents. For details on attendance and assignments, see overleaf.

The *Management Development Programme* is designed to develop the capacity and ability of managers in the following general areas:

- ♦ To effectively communicate, interact and negotiate with all stakeholders;
- ♦ To contract and manage consultants and contractors;
- ♦ To lead and motivate teams;
- ♦ To manage individual, team and departmental performance;
- ♦ To effectively plan, organize, monitor, report and evaluate;
- ♦ To solve problems and develop innovative ways of improving performance;
- ♦ To understand and use action learning as a methodology for sustained learning, performance improvement and departmental development.

The programme is jointly financed by Buffalo City Municipality and the Swedish International Development Co-operation Agency, Sida. Capacity building support is provided by the two Swedish consultant companies: SWECO International and SIPU International.
